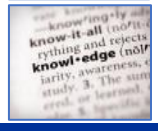
Nursing Informatics Consortium
16th Annual Symposium

Trends in Clinical Informatics: A Nursing Perspective

April 27th 2018



Target Audience
CNO
CNIO
Nurse Leader
Nurse Educator
Nurse Informatician
Clinical Nurse
and all
Information
Technology
professionals who
are interested in the
impact of
technology on
nursing practice.

This activity will be submitted to Boston Children's Hospital for approval to award contact hours. The Boston Children's Hospital is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Contact Mary Kennedy at program@nenic.org for more information.

The New England Nursing Informatics Consortium (NENIC) and Boston Children's Hospital are proud to jointly offer this exciting educational opportunity. This one-day symposium will address the theme of *Nurses Transforming Healthcare Through Innovation*. A special focus this year will be moving beyond EHR implementation towards optimization and data analytics.

There will be time for you to interact with the national and local presenters and network with your colleagues to share insights and experiences throughout the day. In addition, dedicated time will be set aside for membership poster presentations and exhibitors. Our featured speakers this year include:

Ann O'Brien MSN, RN
HIMSS 2018 Awardee: Most Influential Women in Health IT
Robert Wood Johnson 2011 Executive Nurse fellow
Former, National Senior Director of Clinical Informatics Kaiser Permanente

Dan Roberts PhD, RN, ACNP
AVP Nursing Performance Management, Clinical Services Group
Hospital Corporation of America (HCA)

Victoria L. Tiase MSN, RN-BC
Director, Informatics Strategy
New York Presbyterian Hospital, NYC

Andrew Phillips PhD, RN
Assistant Professor, MGH – Institute of Health Professions

Kathleen Hernon, BSN, RN
Director of Clinical Informatics,
Partners HealthCare at Home
