

The New England
Nursing Informatics Consortium
17th Annual Symposium

*Trends in Clinical Informatics:
A Nursing Perspective*

April 26th 2019

Target Audience

CNO
CNIO
Nurse Leader
Nurse Educator
Nurse Informatician
Clinical Nurse
and all
Information
Technology
professionals who
are interested in the
impact of
technology on
nursing practice.

This activity will be submitted to Boston Children's Hospital for approval to award contact hours. The Boston Children's Hospital is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Contact Mary Kennedy at program@nenic.org for more information.

The New England Nursing Informatics Consortium (NENIC) and Boston Children's Hospital are proud to jointly offer this exciting educational opportunity. This one-day symposium will address the theme of *Nurses Transforming Healthcare Through Innovation*. A special focus this year will be moving beyond EHR implementation towards optimization and data analytics.

There will be time for you to interact with the national and local presenters and network with your colleagues to share insights and experiences throughout the day. In addition, dedicated time will be set aside for membership poster presentations and exhibitors. Our featured speakers this year include:

Patricia P. Sengstack DNP, RN-BC, FAAN

Associate Professor, Vanderbilt University School of Nursing
Nursing Informatics Executive, Vanderbilt University Medical Center

Mary Swenson, RN, MBA

Director Nursing Services, Partners eCare
Partners Health System

Amy Clodfelter, MSIT, BSN, RN-BC

Director, Nursing Informatics
Clinical Services Group, HCA Healthcare

Andrew Phillips PhD, RN

Assistant Professor, MGH – Institute of Health Professions

Lee Williams PhD(c), MSN, RN-BC

Director; Clinical Education and Informatics; Boston Children's Hospital

Mary Devine MPH

Dir. Emergency Management; Boston Children's Hospital

Trends in Clinical Informatics: A Nursing Perspective
