## **Exhibit & Sponsor Prospectus**

**18<sup>th</sup> Annual Symposium: April 22, 2022**  
**LIMITED EXHIBIT SPACE – RESERVE NOW!!**

**Dear Exhibitor:**

We are pleased to invite you to exhibit during our Eighteenth Annual Symposium to be held on April 22, 2022 at The Conference Center at Waltham Woods in Waltham, MA. We are once again expecting nearly 200 nursing and healthcare information technology professionals from more than 60 organizations across New England. Our members come from the academic and community medical centers as well as a variety of ambulatory and specialized settings.

We will assemble an impressive group of local and national experts who will describe these innovations in the context of Nursing Informatics. There will be time for participants to interact with the speakers and network with colleagues to share insights and experiences throughout the day. In addition, dedicated time will be set aside for best practices and leading edge poster presentations.

A slate of local and national leader, speaking on timely topics that will shape the future of clinical informatics and patient care, will be offered and continuing education credits offered.
